# Beverly Hills Sculpture Park & Architectural History Tour

Join us for FREE ArtWalk Guided Tours featuring a tailored selection of historic and world-renown public art in Beverly Gardens Park. These curated tours will focus on important works including the prestigious Henri Alfred Marie Jacquemart's *Hunter and the Hounds*, Ai Weiwei's *Iron Roof*, and Roxy Paine's *Erratic*, amongst others.

This tour also includes a guided walking tour down the world-famous Rodeo Drive and will explore the history of the iconic Beverly Hills sign, the historic equestrian bridle path, the last remaining original building and storefronts, Frank Lloyd Wright's only commercial design - Anderton Court Shops, the site of the Brown Derby, and the storied history of the Beverly Wilshire Hotel, and more! These tours are planned in collaboration with the Beverly Hills Historical Society.
